7. AI Disclosure Annex

7.1 Purpose

Document the responsible use of AI tools during project development in accordance with IIE policies (IIE009, IIE023).

7.2 AI Usage Summary

Category	Tool Used	Description of Use	Student Verification Action
Research and Planning	ChatGPT (GPT-5)	Project page outlines and visual ideas	Selected suitable ideas and rewrote in own words
Code Assistance	ChatGPT	Example HTML/CSS/JS snippets – donation bar + spotlight	Revise and rewrite in VS Code; add comments and manual formatting
Language Editing	Grammarly + ChatGPT	Grammar and clarity for proposal and README	Proofread and confirm academic tone
Documentation	ChatGPT	Assisted AI Annex layout format	Edited to fit IIE template and verified accuracy
